we are selling 2 building plots, each 1200 sqm for the price 65 euros/sqm. Attractive location, quiet, but not far from Pula and the sea, all infrastructure is in the immediate vicinity. There is a possibility to buy the land completely or only part of it. Both properties then have access directly from the street. In addition to the building plot, the owner has agricultural land that could be used as a garden or camping site and which could be sold separately after consultation with the seller.

Great investment
