Building land in Piće with an area of

10958 m² is for sale.

The land consists of 3 interconnected cadastral parcels located in an attractive location suitable for the realization of various ideas and projects (family houses, holiday homes or other tourist projects and facilities).

The land is located next to the main road at the very entrance to Piće.

All necessary utilities are located right next to the main road (water, electricity, gas, sewerage).

The stated price refers to the sale of all three cadastral parcels together.

Land subdivision is also possible. Then the price is slightly higher.
