We are selling a new house in a quiet location.

The house has 185m² and consists of four bedrooms, each with its own bathroom, a large living room with kitchen and dining room. In the center of the house there is a glazed open atrium in which there will be an olive tree. The entire house has underfloor heating via heat pumps and each room has its own air conditioner.

In the garden there is a heated swimming pool 8x4m, a summer kitchen with a toilet and a machine room for the pool.

The carpentry is aluminum, the insulation is stone wool, the ceilings are 3m high at the lowest point.

It is sold fully furnished and equipped.

We are at your disposal for more information.
