This construction land on the island of Brač offers a unique opportunity for the development of two villas for family use or investment.

The land, measuring 894 m², is located in the eastern part of the island of Brač. It is situated in a building zone, has a regular shape, and is only 100 meters from the sea with an unobstructed view.

The land comes with a conceptual project, a building permit, and an established access road, allowing construction to begin immediately.

Take advantage of this opportunity and create your own piece of paradise in Brač!
