----------------	----------

A plot of 452 m² with a project for the construction of a semi-detached house is for sale. The application for a building permit has been submitted and is expected to be completed soon.

The plot is located in a popular tourist region of Croatia, just 15 minutes by car from the sea.

A neighboring plot with a similar project is also for sale, the possibility of buying both.

□ We also offer a full cycle of project implementation - from purchasing a plot to delivering a turnkey project. The investor does not need to organize contractors, supervise construction or look for a management company - everything is under the control of an experienced team.
