A building plot of 6000 m2 in Rebići is for sale.

The plot is located on the edge of the village, and behind it there is no possibility of building, so it is suitable for enjoying peace with nature, only 3 km from the sea.

One of the plots has a valid building permit, architectural solution, geodetic project, confirmation of the main project, and construction can begin immediately. Water is located on the plot (cabinet with preparation for several meters, main pipe of large flow for several buildings) and the water and utility contribution as well as utilities are paid in full.

Electricity and water are on the plot and new asphalt has been laid on the main road.

An opportunity for a serious investor.
