Pula, Veruda! Top location! Office building!

In an excellent location in Pula, we offer a commercial building consisting of a basement, ground floor, and first floor.

The house is designed so that there is a garage of 100 m² in the basement, 4 offices of approx. 12 m², a large conference room of 80 m², a kitchen of 15 m² and sanitary facilities, and two large storage rooms of 80 m².

There are 5 spacious offices and a sanitary area on the ground floor of the house.

On the house's first floor, there is a large conference room of 113 m², two offices of 30 m² each and three sanitary facilities.

Internal stairs lead from the basement to the first floor.

Superbly lit. Modernly equipped.

Sea View!

It was built with prestressed panels, so no internal load-bearing walls exist. It is located in the M-zone (business-residential zone).

There is a possibility of raising a floor and converting the space into a residential one.

Solar panels on the roof of the house.

New air conditioning system made in 2023.

It is located only 250 meters from the sea and the beach and is surrounded by agricultural plots.
