For sale: an attractive building plot of 796 m², located in an excellent position along the road leading from Kanfanar to the settlement, ensuring easy access and good connectivity.

Infrastructure:

All necessary connections are available at the very beginning of the plot - electricity, water, and sewage, which significantly facilitates and reduces construction costs.

Additional benefit:

There are two adjacent plots available. It is possible to purchase one or both together, representing an excellent opportunity for investors or buyers looking for a larger space for construction.

Ideal for building a family home, a luxury villa with a pool, or multiple holiday properties.
