For sale is a family house located in a quiet and private part of Pula, on a dead-end street - ideal for a pleasant family life, but also an excellent investment opportunity.

The house has a total area of 155 m² and is situated on a spacious plot of 724 m², which offers numerous possibilities for additional construction or landscaping. According to the current building conditions, the maximum built area is 250 m² per floor, with the possibility of building up to 3 floors (building coefficient 0.4, maximum height 10 m), making this property extremely attractive for investors.

The property was built in 1975 and includes a garage, basement, and attic. Heating is central, using gas and solid fuels. The house is immediately habitable, with the possibility of renovation and customization according to personal preferences.

The location offers a perfect balance between tranquility and accessibility - just a 5-minute drive to the center of Pula and 5 minutes to the sea.

An excellent opportunity for anyone looking for a home in a peaceful location with great potential or wishing to invest in a property with expa...
