For sale is a property in Peruški consisting of a house in the rough construction phase and an accompanying plot of land with a total area of 661 m².

The house is designed on two levels, with a total living area of 278 m², along with an additional pool of 32 m² included in the project.

The property offers the future owner the opportunity to customize the finishing works and decoration according to their own desires and needs, making it ideal for creating a family home or a vacation house.

Located in a peaceful environment, this property provides privacy and potential, along with good connectivity to nearby towns and the sea.
