Building land near Poreč + house as a gift!

For sale is a building plot of 313 m², located in the center of the village, just 10 km from Poreč, ideal for constructing a family home, vacation house, or investment property.

Included with the land is an existing attached house as a gift, which spans the ground floor, first floor, and attic. The property requires renovation but offers additional potential for the future owner.

An excellent location close to all necessary amenities and a short distance from the sea and Poreč makes this property a great opportunity for investment or peaceful family living.
