For sale is a renovated apartment with an area of 50 m², located on the 4th floor of a residential building in the Vidikovac neighborhood. The apartment has a southwest orientation, which ensures plenty of natural light throughout the day.

During the renovation, the apartment was updated – all water and electrical installations were replaced, new joinery was installed, new floor and wall coverings were laid, and the bathroom was renovated. The property does not require any additional construction investments.

It consists of a hallway, a kitchen with a dining area, a pantry, two rooms, and a bathroom. On the ground floor of the building, there is also a designated storage room that provides additional space for storage.

The apartment is located in an excellent location, close to shops, schools, kindergartens, public transport, and all the amenities necessary for a comfortable daily life.
