Price : 260.000 €

In the city center, on a plot of 150 m², there is a property with fully organized documentation and great potential for reconstruction or new construction.

All utilities are active — electricity, water, and sewage. The property is currently completely vacant, all furniture and belongings have been removed, and it is ready for adaptation, reconstruction, or demolition for the purpose of building a new structure.

Very favorable construction conditions:

- KIG 60%
- Maximum height 15 m
- Possibility of building up to 5 floors
- Semi-embedded or embedded buildings

Location information is available for review.

The property is legal (Certificate before 1968), and ownership is clear 1/1.
